

Joint Concept Development and Experimentation Conference January 2008

Joint Staff / J7 / JETCD

January 2008

Joint Staff Themes and Messages for

- **Everyone**: 3010 rewrite (integration of concept developers and experimentation community from initiation of concept, through delivery of experimentation results)
- **Everyone**: CCJO revision - will be seeking community-wide feedback/participation post conference
- **Everyone**: JSPS - post conference lessons learned to make CJA for new concepts/JE/WFCs better for next go-around
- **JE Enterprise**: Continue positive effort of the formation of the CPLAN 09/10
 - The evolution of accountability: J9/JS/AT&L
- **JE Enterprise**: Continue linkage of JOpsC to FCBs
 - Drive home the point of concepts to experimentation to capability
